FURNITURE

La preziosità dei nostri prodotti è data non solo dalla loro bellezza, bensì, dall'autenticità dei suoi materiali.

LINEE FORTI CHE LASCIANO
PROTAGONISTA
L'ANIMA DELLA MATERIA

The preciousness of our products is given not only by their beauty, but also by the genuineness of materials.

STRONG LINES THAT HIGHLIGHT
THE SOUL OF MATTER.

LE SEDIE:

Scelta dei migliori materiali, comode e resistenti, dalle linee morbide, eleganti e sobrie, queste sedie rappresentano un prodotto dalla svariata possibilità d'utilizzo, dalla casa al bar, al ristorante all'hotel alla sala ricevimenti.

I TAVOLI:

La particolarità del progetto è quella di esaltare le venature e crepature in modo da far notare la vera natura dei tavoli, ossia solo ed esclusivamente legno.

Con straordinarie caratteristiche di eleganza, robustezza di un rustico contemporaneo, abbiamo la possibilità di inserire questi tavoli e sedie in ambienti moderni e dinamici ma anche di irrompere in ambienti più accademici ed eleganti.

CHAIRS:

selection of the finest materials, comfortable and durable, with smooth lines, elegant and sober, these chairs can be used in many different environments, from our home to cafés, restaurants, hotels, reception rooms.

TABLES:

the distinctive trait of the project is to bring out the grain and the crevices in order to point out the true nature of the tables: solely and exclusively wood.

With outstanding features of elegance and robustness of a contemporary rustic style, these tables and chairs can be placed in modern and dynamic environments as well as in academic and elegant settings.
